

## ***Family letter (I)***

**Dear Colleagues,**

As days go by very rapidly, we find ourselves at the month of October --- a month dedicated to the memory of the Blessed Virgin Mary of the Holy Rosary. One of the charismatic attributes of Mary is her co-operating with God's salvific mission, sharing Jesus' life and love to others. Her presence in our life strengthens us to carry on our mission as Educator of Love in this new scholastic year.

I pray to our Blessed Mother, granting us the strength and courage to be opened to the action of the Holy Spirit. In our daily joyful or difficult events, let us try our best to recognize God's presence among our staff, our students, our parents and be able to discern, to welcome and to judge with compassion, forgiveness, mercy and understanding. The grace we have received allows us to break through all obstacles and barriers and to accept differences and diversities. I would like to share with you one of the beautiful songs which keeps on reminding me the importance of being a good leader :

It's not what you do but how you do it;  
It's not what you see but how you see;  
It's not what you say what you know or achieve,  
But it's the presence of love it counts.

Let us keep on praying to our Heavenly Mother. May her blessing showers upon us and the Diocese of Hong Kong especially in this moment we are facing challenges.

May our witness of Love make fruitful our service in the ministry of Education.

' Make Jesus Known And Loved.'

Yours Affectionately  
**Sr. Cecilia**
